Summary

Highly motivated Full Stack Developer, trained at the University of Manchester Coding Bootcamp, with a positive team-oriented attitude, excellent communication and organisational skills. Seeking a development position focused on building tools and services for diverse sectors.

Experience

Trainee Full Stack Developer October 2020 - May 2021

University of Manchester Coding Bootcamp

- Learned front end and back end technologies through a dynamic full stack curriculum, including HTML5, CSS3, JavaScript, jQuery, Java, Bootstrap, Express.js, React.js, Node.js, Database Theory, MongoDB, MySQL, Git, and more.
- Worked together with teammates to tackle complex projects and get hands-on training through experiential learning opportunities.
- Took my new skills to the next level on challenging projects, building a portfolio of apps and projects to showcase my knowledge.

Residential Lettings Advisor

April 2019 -
till date

Countrywide PLC

- Provided expert Property and Lettings advice to Landlords, Tenants and other staff members.
- Successfully managed a diverse workload.
- Made decisions on client restitution payments.
- Logged and kept track of client cases accordingly.
- Maintained strict compliance across Letting Agents and Property Managers.
- Worked alongside the Property Ombudsman and adhered to their strict code of practice.

Property Manager

January 2018 - April 2019

Eco Homes

- Managing my own property portfolio.
- Acting as a liaison and forging relationships between landlords, tenants and skilled contractors.
- Performing regular site visits, monitoring on-going repair and maintenance works.
- Ensuring all property certificates and licences meet legal requirements and are up to date.
- Recording and analysing property data.
